EXPERIENCE

FREELANCE ENVIRONMENT TECH ARTIST

2025 - PRESENT

- Created 3D environments for commissioned projects and provided technical-art support including optimization and pipeline tools.

ENVIRONMENT ARTIST AT BLACKMOUTH GAMES

2022 - 2025

- Created modular environments, trimsheets, and tileable materials for optimized AAA workflows in Unreal Engine.
- Developed and implemented shaders and created custom PBR materials according to project requirements.
- Collaborated with design and technical teams to integrate polished environments that met performance requirements.

JUNIOR 3D ARTIST AT BLACKMOUTH GAMES

2022

- Modeled and optimized assets for game-ready quality and performance.
- Performed environment set dressing to final polish stage.
- Contributed to level art and technical implementation according to production specifications.

INTERN 3D ARTIST AT SECRET6

2021

- Modeled and integrated props into game engines following technical specifications.
- Assisted senior environment artists in optimizing assets for real-time rendering.

EDUCATION

- **Bachelor's Degree in Video Game Design and Development** – Polytechnic University of Catalonia (UPC), 2018–2022
- **Master's in Environment and Props Creation for AAA Games** – Voxel School (2021)
